To comply with the Protection of Personal Information Act (POPIA) which became effective on 1 July 2021, GSFPA requires permission from its members to store and distribute certain personal information. Information stored by GSFPA in terms of the Fire Protection Association Regulation 4 (4)(a) "The constitution of a fire protection association must provide for the keeping of an up-to-date register of its members." GSFPA members registers are stored as hard and electronic copies files for every member. The information stored is the members name, contact numbers, email addresses, farm names and farm numbers. GSFPA distributes weather emails and due to our automated system, we are currently unable to blind carbon copy (BCC) these emails. By signing this membership application, you acknowledge that you have been informed of the current system and consent to receiving communications. (e.g Weather emails, emergency whatsapps and smses). If you do not consent to the weather emails please inform us in writing.
